

Superstitions, Curiosity, Spiritism, & Mediums

All areas are not equal or damning. Most are opening doors to spiritualism forbidden in scripture. "Curiosity" does not equate to regular practice or idol believing misled faith, it is however, the gateway.

Superstition – faith in myths, legends, wives' tales, luck, irrational traditions.

Curiosity – desire, allurement, or pursuit to discover more

Spiritism – philosophy of a spirit world or active spirits that cannot be explained

Mediums – a propagation of an "in between" spirit world or unseen force / entity

Symbolism – a shape or drawing / rendering which represents an idea or belief
